Competent in HTML, CSS and JavaScript

Development and implementation of technologies and applications
Full Stack Development
Strategic Thinking and Problem-Solving

PROFESSIONAL EXPERIENCE

The Network (2.5M Pre-seed)

Jun 2025 - July 2025

AI Validator - Freelance

Contributed to the validation and training of AI models, ensuring accuracy, consistency, and high-quality outputs. This role required strong attention to detail and clear evaluation criteria, helping improve the overall performance and reliability of the system.

Afrodita Accesories

Jan 2021 - July 2022

Co-founder and Operations Manager

Founded and led a gemstone energy accessories venture, distributing products across all of Argentina. Successfully grew the business by 150% over 3 months, while co-managing with two other partners and handling logistics to ensure timely delivery nationwide. Developed and implemented marketing strategies, including partnerships with influencers, which increased brand awareness and customer engagement.
